

# Israel/Palestine Center for Research and Information

Since 1988, Gershon Baskin has been the Israeli CEO and founder of the Israel/Palestine Center for Research and Information (IPCRI).

IPCRI is a joint Israeli-Palestinian public policy research think-tank working on issues in conflict between the sides. IPCRI proposes policy options to decision makers regarding the issues in the peace process. Dr. Baskin was the founder of IPCRI and has served as co-director since its establishment.

The director's tasks include: policy development, researching, writing policy papers, fundraising, project development, administration of projects, contacts with government officials and the diplomatic community, and hiring staff.

Gershon Baskin will be in TUCSON October 30-31, 2009  
Come learn about IPCRI and what is happening in Jerusalem from someone who is there and working on pathways to peace.

*IPCRI, founded in Jerusalem in 1988, is the only joint Israeli-Palestinian public policy think-tank in the world. It is devoted to developing practical solutions for the Israeli-Palestinian conflict.*
